# **NEUTRAL VESSELS** DARE BLOCKADE TO CARRY FOOD

Eleven Steamers Put to Sea Without Licenses or Letters of Assurance.

AN ATTANTEC PORT, July 14 .-Complications are looked for to-day as a result of the dash to sea, late yesterday, of eleven neutral steamers loaded with grain and other cargo which could not have left an American port after next Monday, when President Wilson's embargo proclamation becomes effective.

The eleven vessels-ten Dutch and one Scandinavian-have no letters of assurance from the British authorities, and will try to run the British blookade, a feat considered imposaible. The vessels have been in this port for some time, vainly endeavoring to receive such letters, which would permit them unmolested jour-

neys. Besides grain, the ships carry a great quantity of mealcake and other cattle food included under the terms of the embargo proclamation as being non-exportable unless a license is granted by the Exports Council. It is said the neutral shippers decided to risk their chances with the British blockade and Admirally courts rather Alsace-Lorraine, under the auspices spatches to the embassy here to-day than wait until the embargo went of Les Amis de l'Alsace-Lorraine, at not only to have opened the road to into effect, believing the American Acolian Hall this afternoon will be Lemberg, the capital of Galicia, but Government would never iteense the one of the ceremonies to-day in cele- to have cut south from Stanislau in
